MT—576 Science of Forgiveness

The theological concept of forgiveness resides at the heart of the Christian faith. For Jesus, forgiveness is a key to ushering in the Kingdom of God. This course aims to integrate different scientific approaches along with philosophical and theological investigations on human forgiveness with the goal of analyzing relevant issues involving forgiveness and educating others in forgiveness.

For more information contact Ms. Julie O'Connor, Registrar at joconnor@shsst.edu or (414) 529-6974.
