

03/18

The school is limiting access to the dining room to avoid gatherings of more than 10 people. The dining room will remain open for beverages and to pick up boxed meals but please do not linger in order to practice social distancing. Snacks and such will also still be available in the evenings for residents.

Sodexo will be providing boxed meals at the normal meal times to be eaten in your rooms or offices. Weekly menus will continue to be provided; however, options may be more limited. Lunches in particular are a challenge for Sodexo staff as those numbers will vary depending on who all is in the building. Knowing this, please limit the meal you chose to one large box. Smaller boxes of side salads may be provided along with soup which can be taken along with a large box. This will ensure all get a complete meal. Sodexo staff will monitor meals taken and may provide additional boxes of a particular meal if needed. Please dispose of leftovers appropriately. A trash receptacle will be available in the dining room.

Thank you all for your patience and understanding as we continue to deal with ever-changing events.
