## **Miller Analogies Test**

**Due to the Covid-19 pandemic, many applicants are unable to schedule the MAT test before applying. We understand!**

**Please make a note in your application that you will schedule it when available and your application will be considered with the contingency that you will take the test (even if after the program starts). Thank you!**

Applicants who do not have a graduate degree are required to take the Miller Analogies Test. Although required, it is not as strong a determinant as other factors. For ministry, we look at the entire application of the candidate.

For more information on the test, go to: <https://www.pearsonassessments.com/graduate-admissions/mat/about.html>. "Studying" for the test is not recommended. The Pearson site instead gives information on the structure of the test.

For test locations, go to: <https://downloads.pearsonassessments.com/images/assets/mat/MAT-CTC-List.pdf>. UW-Milwaukee has three test sessions left this spring of 2020: 1/22/20, 2/12/20 and 3/18/20. Online registration is at: <https://www.registerblast.com/uwm/Exam/List>.
