

07/04

I have continued to monitor the COVID-19 situation and have seen that instead of trending downward as it appeared to do earlier, the rates of infection and of deaths are increasing. Consequently, in an abundance of caution for everyone's safety and well-being, I find it necessary to delay moving to phase 3 work protocols.

After consulting the members of the President's Council and the local SCJ superior we will continue to follow phase 2 protocols with a slight adjustment. Although the building will remain closed to those not designated to work on campus, those employees rotating on campus for staggered shifts are to work normal business hours rather than the shortened hours on the days as assigned previously.

Employees may request exceptions from the Rector.

This will begin July 6th and continue for at least two weeks. The President's Council members and I will continue to monitor the situation.

Thank you for your understanding and cooperation.

In the Heart of Christ

Fr. Raúl
