

Admission Process

Cor Unum is a distinctive pathway within the Master of Arts (M.A.). The program will adhere to the admissions process and requirements delineated in the M.A. Handbook. Enrollment will be limited to 14 students. The application process includes:

1. M.A. online application (www.shsst.edu/cor-unum) and a non-refundable application fee of \$100.
2. Previously, the Miller Analogies Test (MAT) was required for anyone not having a master's degree. Since the MAT is not available due to the Covid-19 pandemic, students without a master's degree will be considered to have satisfied the MAT requirement by successfully completing their first semester.
3. Official transcripts from all institutions of higher education attended, whether or not a degree was obtained.
4. Resume listing employment history, educational background, specialized training, community involvements, publications (if applicable), talents/abilities, and other pertinent information.
5. An essay (500-1000 words) that addresses the following topics:
 - a. Explain your interest in this program and how it fits into your personal goals and/or vocational calling.
 - b. What do you anticipate being able to do or accomplish with the support of this program?
6. Two letters of recommendation. One must be from a pastor or other similar person in a parish, diocese, religious community, or the equivalent.
