Dear SHSST Community & Friends,

I wanted to remind everyone that in preparation for the return of seminarians to campus for the fall semester, we will be officially returning to Phase 4 of SHSST's COVID Response Levels Operations Plan when on-campus operations resume next Tuesday, August 10. Of note, you should prepare for the following:

- Mask wearing in all public spaces (ie. Hallways, lobby, classrooms, main chapel, dining room when not eating, library)
- Social distancing whenever possible
- In-person meetings require masks unless all participants are vaccinated and are comfortable removing masks
- Self-monitoring of symptoms (if unwell please stay home and consider having a COVID test)
- Sanitizing of frequently touched surfaces
- Building will remain closed to the public unless prior arrangements are made with the Office of the President-Rector

It is my hope that this will be temporary and that the threat of the Delta variant subsides as more continue to be vaccinated. If you yourself have not yet been vaccinated, please do so! I appreciate your patience and understanding as we strive to maintain the safety of our campus community. If you have questions or concerns about any of this, please don't hesitate to be in touch.

In the Heart of Christ,
Fr. Raúl
