

Director of MA and Pastoral Formation Programming

VERSION: 03-10-2022

SACRED HEART SEMINARY AND SCHOOL OF THEOLOGY seeks a full-time **Director of MA and Pastoral Formation Programming**. The successful candidate possesses the administrative aptitude for fostering programmatic expansions and continuous improvement, as well as the managerial skills for maintaining seminary policies and academic procedures. Strong organizational abilities and interpersonal communication proficiency are essential, as this position coordinates and interacts with a broad range of constituencies (students/seminarians, school administration/faculty, field placement site supervisors, etc.). This job is primarily an administrative position; the appropriate candidate may be considered for professional faculty status depending on specific job duties. Work experience in seminary/higher education and parish ministry contexts is highly preferred. A master or doctoral degree relevant to the position is required.

The Master of Arts (M.A.) in Theology is an academic degree open to laity, priests, religious, and seminarians that is delivered through a variety of modalities: traditional daytime courses, a cohort-based evening/weekend pathway, and online delivery. As a component of the seminary's Master of Divinity degree, the Pastoral Formation program prepares seminarians for priestly ministry through pastoral service-learning experiences and ministerial training practicums. These two dynamic programs are essential in advancing the institution's mission of creating missionary disciples for service in the Church and world.

Applications will be reviewed, starting on April 8, 2022, until the position is filled. The anticipated start date for the position is July 1, 2022. Send letter of interest and resume or CV via email to hr@shsst.edu. Located in a suburb of Milwaukee, Sacred Heart Seminary & School of Theology (<https://www.shsst.edu/about-sacred-heart/>) is a Roman Catholic graduate-level seminary and apostolate of the Priests of the Sacred Heart (Dehonians).
