Toolbox for Pastoral Management

From May 16-May 20, the Archdiocese of Milwaukee, Sacred Heart, and Leadership Roundtable welcomed priests from around the country to gather at Sacred Heart for a week long Toolbox for Pastoral Management. The workshop was focused on many of the church management tasks that priests are or will be responsible for as a pastor. Faculty from around the country with years of experience training priests in the leadership and management of parishes spoke on a number of topics from Strategic Communications to Developing a Vision. The toolbox was filled with great discussion, prayer, and meditation.

End of Year Picnic

On May 20, the Sacred Heart staff and faculty celebrated the end of the Spring semester with an indoor “end of year picnic”. After lunch, some staff and faculty participated in a corn holes tournament while others played Jenga or watched the fun. Congratulations to those who won first and second place, best costume, and best team name!
