

## Is the gospel being understood?

## Sacred Heart is Your Seminary to learn English, study culture, and modify accents

- Programs range from seven weeks to semester-long, tailored to individual needs; offered online as scheduling allows
- Supportive, faith-filled environment in a seminary community
- Seminary Bridge Program into MDiv and MA degree studies (no TOEFL)
- English courses emphasize language for pastoral ministry
- Culture studies expose students to a broader experience of the Church
- Typical Accent Modification: 70% reduction in mispronounced phonemes, with lifetime access to online resources for continuing improvement
